UPLIFT® MAX is our ultra-potent pre-workout, formulated and dosed with innovative and cutting edge ingredients designed to fuel your body and take your workout to the next level! Our advanced stimulant blend is scientifically formulated to rapidly activate and prime the central nervous system, enhancing fast twitch muscle fibers for an intense workout. Our advanced hydration blend nourishes and fuels your body, significantly enhancing your endurance and recovery. Supplementing with UPLIFT® MAX 20-30 minutes pre-workout will help you attack your workouts with intensity and focus, giving you sustained energy that helps you push your body to a whole new level.†

Yerbaste HCL: Gives you a powerful, yet clean feeling energy boost, increases concentration and mood, and primes the nervous system for intense bouts of activity.†

Coconut Water Powder: Loaded with electrolytes to provide rapid, yet long lasting hydration. Contains crucial vitamins and minerals to enhance endurance and help prevent dehydration during strenuous activity.†

Huperzine A: Boosts cognitive performance, focus, and memory by helping improve the levels of acetylcholine in your brain.†

Rauwolscine: An alpha-receptor antagonist that blocks the action of the receptors responsible for stopping the breakdown of fat (lipolysis).†

TeaCrine: Rapidly enhances physical energy and provides you with a long lasting focus and motivation.†

Contains: Tree Nuts (Coconut)

DIRECTIONS: As a dietary supplement, mix 1 scoop (34.6 g) with 4-8 ounces of water and consume 20-30 minutes before beginning activity. This is to be done the first three (3) times using "UPLIFT® MAX". Under no circumstances should any of the warnings be ignored. Beginning with the 3rd time using UPLIFT® MAX, dose may be increased by, but not more than, 1/2 of a scoop (5.19 g). The ideal individual dose may vary between 1-2 scoops. DO NOT exceed more than 2 scoops before workouts.

WARNING: This product is intended for healthy adults only. Do not use if pregnant or nursing. Consult a health care practitioner prior to use if you are taking any medication or have any medical issue. Individuals who consume caffeine with this product or who are sensitive to caffeine may experience restlessness or difficulty sleeping. Do not exceed recommended dosage. Store in a cool, dry place. KEEP OUT OF REACH OF CHILDREN.
